Hair Healing Oil

Ingredients:

Glycine Max (Soybean) Oil, Ricinus Communis (Castor) Oil, Vitis Vinifera (Grape Seed) Oil, Cannabis Sativa (Hemp Seed) Oil, Olea Europaea (Olive) Oil, Mentha Piperita (Peppermint) Oil, Rosmarinus Officinalis (Rosemary) Oil, Zinc, Sulfur, Capsicum Frutescens (Chili Pepper) Extract, Tocopheryl Acetate (Vitamin E), Biotin, Niacin

Healing Hair Growth Oil is a botanical blend of plant extracts and natural oils that enhance hair growth while reducing shedding, hair loss, and breakage at or around the follicle. It improves blood circulation to the scalp, stimulating and strengthening hair roots. It moisturizes without leaving buildup, thanks to its lightweight formulation.

Free From: Petroleum, Parabens, Sulfates, Mineral Oil, Formaldehyde

Directions:

Shake well before use. To stimulate the follicles, apply several drops directly onto the scalp and gently massage for 1–3 minutes. Use on wet or dry hair. For detangling, apply a larger amount as needed. Recommended usage is 1–2 times per week, especially if you shampoo and condition every two weeks.

Highlighted Ingredients and Their Healing Roles:

Jamaican Black Castor Seed Oil:

Strengthens hair strands, promotes healthy hair growth, and deeply nourishes a dry scalp.

Grapeseed Oil:

Moisturizes and revitalizes hair follicles, helping to strengthen existing hair and support new growth.

Carrot Oil:

Helps prevent hair loss and split ends, encourages hair growth, maintains moisture balance, and combats dandruff and dry scalp.

Olive Oil:

Rich in proteins, antioxidants, and antimicrobial agents that strengthen hair follicles and support longer-lasting, healthier hair growth.

Peppermint Oil:

Offers antimicrobial and anti-inflammatory benefits that soothe dryness and itchiness while improving blood circulation to the follicles.

Rosemary:

Stimulates hair growth, combats fungal buildup, soothes scalp irritation, and adds natural shine to hair.

Zinc:

Essential for hair tissue growth and repair; helps regulate oil production around the follicles to maintain a healthy scalp.

Sulfur:

Effectively treats dandruff, psoriasis, eczema, and folliculitis, while extending the anagen (growth) phase of the hair cycle.

Biotin:

Boosts keratin production, which helps accelerate follicle growth and strengthen hair structure.

Niacin (Vitamin B3):

Improves blood flow to the scalp, delivering oxygen and nutrients to follicles and stimulating new hair growth.

Vitamin E:

A powerful antioxidant that supports scalp health, reduces oxidative stress, and protects hair follicles from damage.

XTC Detangling Treatment

Ingredients:

Olive Oil, Avocado Oil, Water, Lavender Oil

XTC Detangling Treatment was designed to create a ton of slip as you detangle your hair. It helps support growth by ensuring you retain as much hair as possible while removing any protective styles. Detangling Treatment serves as a pre-conditioning treatment that provides moisture while preparing your hair for shampoo and conditioning. Use XTC Herbal Shampoo and XTC Herbal Conditioner for proper cleansing, hydration, moisture, conditioning, and hair growth. There may be a need to clarify the hair prior to shampooing and conditioning if you plan to wear a light-weight blowout or silk press.

Directions:

Shake well before use. To stimulate the follicles, apply several drops directly onto the scalp and gently massage for 1–3 minutes. Use on wet or dry hair. For detangling, apply a larger amount as needed. Recommended use: 1–2 times per week, especially if you shampoo and condition every two weeks.

Organic Aloe & Oil Leave-In Conditioner

Ingredients:

Aloe Vera Gel*, Sunflower Oil*, Safflower Oil*, Jojoba Oil*, Olive Oil*, Grapeseed Oil*, Apricot Oil*, Evening Primrose Oil*, Argan Oil*, Avocado Oil*, Sesame Oil*, Babassu Oil*, Acai Berry Seed Oil, Buriti Oil*, Cranberry Seed Oil*, Herbs of: Arittha*, Hibiscus*, Hops*, Parsley*, Curry Leaves*, Arnica*, Saw Palmetto*, Oat Straw*, Lemongrass*, Vegetable Glycerin*, Hyaluronic Acid (vegetable-based), Polyglyceryl-3 Diisostearate*, Xanthan Gum*, Potassium Sorbate*, Essential Oils of: Rosemary*, Litsea*, Dominican Wild Orange Peel*, Cardamom*, Lavender*.
*Certified Organic

Organic Aloe & Oil Leave-In Conditioner is a lightweight, nutrient-rich formula designed to nourish, moisturize, and protect your hair. Infused with organic botanicals and hyaluronic acid, it provides deep hydration and shields your hair from environmental damage. Ideal for combing, cutting, and moisturizing, this leave-in conditioner enhances manageability and promotes healthy hair growth.

Directions:

Shake well before use. Spray evenly onto damp or dry hair, concentrating on the mid-lengths and ends. Do not rinse out. Style as desired for soft, hydrated, and manageable hair.

Hair Growth Moisture Retention Oil

Ingredients:

Olea Europaea (Olive) Oil, Prunus Dulcis (Sweet Almond) Oil, Sesamum Indicum (Sesame) Oil, Persea Americana (Avocado) Oil, Argania Spinosa (Argan) Oil, Daucus Carota (Carrot) Oil, Vitis Vinifera (Grape Seed) Oil, Ricinus Communis (Castor) Oil, Tocopheryl Acetate (Vitamin E), Essential Oils

Hair Growth Moisture Retention Oil is designed to encourage hair growth retention by providing essential moisturizing agents that keep your hair hydrated internally, moisturized externally, and strong throughout the entire hair strand. Its primary goal is to help you maintain as much hair as possible for better length retention. This oil reduces split ends, prevents breakage, and promotes circulation to oxygenate the scalp, fostering healthy hair growth. It also provides incredible shine, slip for better detangling, and softness, especially when used after shampooing and conditioning or with water.

Key Benefits:

- Encourages hair growth retention • Keeps hair hydrated and moisturized • Strengthens hair and reduces split ends • Prevents breakage • Promotes circulation for a healthy scalp • Provides shine, detangling slip, and softness

Directions:

Pour a small amount of oil into your hands, emulsify between both palms, and apply with your fingers starting at the ends and working upward, using only a small amount on the scalp as needed and never pouring directly from the bottle.

For best results, apply after shampooing and conditioning or on lightly misted hair, and use very minimal amounts when dry styling to avoid weighing the hair down.
