

What are the 8 DHT Blockers

Within the **XTC DHT Inhibitors**

3-in-1 Natural Formula:

Combats pattern hair thinning by blocking DHT, providing essential nourishment, and utilizing a marine growth complex.

Triple-Action Defense:

- **8 DHT Blockers:** Synergistically prevents DHT from binding to hair follicles to stop miniaturization and promote growth.
- **Full Hair Nutrition:** Delivers vital vitamins and minerals (like Biotin and Zinc) often missing from daily diets.
- **Marine Growth Complex™:** A unique, clinically-proven concentrate featuring shark cartilage and silica to reduce thinning.

Key Results:

Designed for all ethnicities to promote stronger, fuller, and faster hair revitalization.
